Please contact Johanna with Member Services at 512-468-5594 or johanna@capitalcityvillage.org with any questions or contacts you may already have who would enjoy volunteering for our Village! (or just ask them to RSVP for the date of their choice on one of the links provided below)

Love Notes Chorus is Austin’s first choir specially designed to provide both those living with a diagnosis of early stage memory loss and their care partners with an opportunity to share the joy of music in a friendly, community setting. All are welcome, whether living at home or in senior housing.

Love Notes Chorus also recruits volunteers to sing and/or assist with rehearsals and performances.
Worried about your memory? Some have found this to be a useful tool, and so we're including it as a possible resource. The Self-Administered Gerocognitive Exam (SAGE) was developed at the Wexford Medical Center at Ohio State University. It's designed to be taken and then shared with your personal physician for evaluation.
